No hat-trick for NOC Juniors

About 4am on Sunday morning, a simple error cost Nottinghamshire Orienteering Club Juniors their hat-trick of wins in the all-night Harvester Relay. At the changeover for the third leg, the map for team 87 was taken instead of 78, leading to disqualification. There was more success for the Women's team who improved a couple of places from last year to finish 6th.

NOC was very pleased with the 50 newcomers who attended their 'Come and Try It' event in Colwick Park, Nottingham on Sunday morning. The senior course of 5.4km was won by Mike Jubb from Leicester in 30:57, with Tim Hills 31:44 in 2nd place.
