Organisers Comments (Gary Peet):

Wow what a day, fantastic weather, fantastic turnout. Hope you all enjoyed my first attempt at Organising an event!

A big thanks to all at the West Notts Hub Club in helping out & making the cakes, with out your help the event wouldn't of run as smoothly as it did + Pauline Olivant & Catherine Hughes for their late night e-mail support, also Hilary Palmer for offering her coaching services.

A special thanks goes to my wife, Liz, for putting up with my late night tapping away on the laptop sorting out all unexpected issues this event through my way, it was only a done deal 2 weeks before & I was told it was easy!!! Finally thanks to you the participants for your support by turning up & for the kind words after your run, see you again sometime in the middle of a forest somewhere.

Cheers.

Gary
