Report on East Midlands Meeting – 30th June 2014

Development / Training Day – The frequency of the Development Day was discussed. It was felt that it might need to be every 18 months in order to get sufficient numbers to attend. It may be we need to decide what are the numbers requiring training and try to find a suitable date if there is a demand more frequently than every 18 months.

Also following the controllers course Ranald had submitted a number of names forward as level C controllers. In most cases they just need to have attended an Event Safety course before being formally appointed as controllers.

Coaching Day – Also discussed was whether there should be a Coaching Day (for coaches across clubs to get together to discuss coaching any maybe also provide coaching for members). This will be discussed with club coaches to decide what is appropriate.

Planners/Controllers Conference – The next one is planned for October 4th 2014, at Rushcliffe. Barry Elkington will lead the session with exercises before lunch and de-briefs after. In addition it will cover the latest rule changes. Please can all experienced planners and controllers make an effort to attend.

Treasurer's Report – The majority of the budget is on track with one major area of concern. That is the East Midlands Junior Squad budget. Previously the squad has been able to make use of free minibus hire, but now for a weekend they are having to pay £400 to hire a minibus which has impacted the budget. This has meant quite a large hole in the budget that is not sustainable over a long period. There are also a number of other problems with co-ordinating a budget and the Junior Squad needs as much support as possible. It was pointed out that juniors were paying £50 for a weekend with the squad while other sports often charged as much as £300 to take their youngsters away for a weekend.

The 2 main events the juniors attend are the Junior Inter-Regional Champs and the Hawkshead Training weekend which we want to continue with if at all possible. However, we may have to request that other activities are done within the region to keep costs down and that a detailed plan is drawn up to ensure we keep control of the budget and future costs.

Also, if anyone can volunteer to assist with the Junior Squad in any way such as transport then please do so. We want to ensure that we maintain an active Junior Squad, but we also need to make sure we have funds to cover this. If costs do continue to rise we will have to look at reducing activities or increasing fees for events / membership. We would like to manage within the budget so the first step will be to get a plan together for future activities that is within budget.

Correspondence: DVO had requested that their event at Abbotsholme school in November be nominated as the East Midlands Sprint Champs. This was agreed by the committee.

Future Events:

- (i) **26 October 2014 Midland Championships at Longshaw Estate (DVO)** – DVO now have a controller to replace the previous controller.

- (ii) **29 November 2014 - EM Sprint Champs - Abbotsholme (DVO) - All planning underway**
- (iii) **15 March 2015 CompassSport Cup (NOC) at Sherwood Pines.**
- (iv) **Yvette Baker Trophy Round in 2015 - Need to propose an event for this sometime between March and May. Review fixtures and propose at next meeting.**
- (v) **29 November 2015 - East Midlands Champs 2015 - Birchens Edge (DVO)**
- (vi) **27 February 2016 - British Night Champs 2016 (LEI) - All is OK at this stage.**
- (vii) **28 February 2016 - Midlands Champs 2016 (NOC) - All is OK at this stage.**

Future Possible Events

- i) **British School Score Champs 2017** - It is due to be in East Midlands. We are looking for volunteers to host.
- ii) **Junior Inter-Regional Champs 2018** - EMOA are scheduled to host this. If any members have access to school facilities (or other buildings) that could be used to host the junior squads for the night could they contact one of the EMOA Committee.
- iii) **Midland Champs 2018** - LOG have volunteered Burleigh as a possible venue
- iv) **British Sprints / Middles 2019** - LOG stated they could assist at a major event like this but may need to take on one role such as Start /Finish. It was also suggested that areas like Stoke Rochford and Hartington might be suitable.
- v) **British / British Relays** - Wales are due to host and may need our assistance. Due to be around 2021 /2022.

EMOA League 2014 - All appears to be going well. There have been a few minor changes if date and one event cancelled. In autumn will need to get next year's events from clubs nominated for 2015 (as we will have maximum of 5 events per club).

2014 EMOA Urban League - There have been a number of changes but we still have 7 events in the 2014 League this year.

2014/15 EMOA Night League - Paul Beresford is talking to club fixtures secretaries to agree a series of Night Events for the League this year. It is hoped to have two from each club and agree a consistent format for the events.

New EMOA Chairman Required: Ranald reminded people that a new chairman was required at the AGM as he will definitely not be staying on. The role is primarily as chairperson of the meetings 3 or 4 times a year. **Please consider volunteering as we do need a chair for next year.**

Future Meetings - All meetings to be held at the Pace Room, St Mary's Church, Clifton Village, Nottinghamshire at 7.30 p.m. The next meeting is the EMOA AGM at the same venue on 15th September 2014. The next committee meeting is Monday 20th October. As always members are welcome to attend.

Notice for Event Planners / Controllers – a date for your diaries

Experienced Planners and Controllers Conference: Saturday 4th October 2014

As in the last two years, the annual conference for experienced Planners and Controllers will be held at Rushcliffe Country Park.

Our main workshop presenter will be Barry Elkington (OD) who wrote the excellent series of articles on course planning which can be found on the British Orienteering website.

There will also be the opportunity to share experiences of your activities and to consider the implications of the revised Rules of Orienteering, Appendices and Competition Rules.

Further details will follow through your EMOA Club Representatives.

Interland 2014

5am, and me and Imogen were on our way to the pickup for this year's Interland before the long journey into Northern France.

After a very lively journey for that early in the morning we arrived in sunny Bruay-la-Buissiere for the middle distance event. This wasn't part of the Interland competition but the 3 event competition that was running alongside. It was also a chance to run in a similar area in preparation for the next day. The area was quite runnable with some good contour detail and after a mistake at number 1 I had a fairly clean run from then on. The night event (again not part of the Interland competition) was around the wood surrounding our accommodation. Being a reserve meant that my start time was one of the last and after a lot of worrying that I'd be the only one left in the forest I finally started. My fears were realised on the way to number one as I didn't see another light at all, anywhere in the area! But once I'd crossed the track over to the other side of the forest there were plenty of people around and I began to settle down and in the end actually quite enjoyed it and didn't do that badly!

19 hours after waking up we eventually got showered and had a very well deserved sleep! However it was up early again the next morning ready for the real race. As both me and Imogen were reserves our starts times were again much later on giving us the chance to support the England team as they started and then get ready for our own races. Sunday's area was pretty tough going with heavy undergrowth and a fair amount of climb. My run was quite poor with a mistake at almost every control which soon added up. I enjoyed the experience, however, of orienteering abroad for the first time, though I will definitely learn the French for 'where am I' next time!

I'm happy to say the England team won for the 20th time in a row and the long bus journey back was just as mad as the one on the way there with celebrations!

I'd like to thank John Duckworth for driving me and Imogen back from the south after an extremely long weekend. Also to LEI for helping to fund my place on the weekend and EMOA whose donation supports England orienteering in covering the costs for us to go.

MINUTES OF THE 49th ANNUAL GENERAL MEETING AND ASSOCIATED EGM OF THE EAST MIDLANDS ORIENTEERING ASSOCIATION HELD ON MONDAY 16th September 2013 at Clifton, Nottingham at 19.30.

Present: Paul Beresford (NOC), Roger Edwards (LEI), Mike Gardner (DVO), Liz Godfree (DVO), Mike Godfree (DVO), Sean Harrington (LOG), Bob Haskins (LEI), Peter Hornsby (LEI), John Hurley (DVO), Randal Macdonald (DVO), Viv Macdonald (DVO), Paul Murgatroyd (LOG), David Olivant (NOC), Pauline Olivant (NOC), Hilary Palmer (NOC), Chris Phillips (LEI), Amanda Roberts (LOG), Graeme Watson (NOC), Ernie Williams (LEI), Ursula Williamson (LEI), Dorothy Woodall (NOC), John Woodall (NOC), and Ally Wright (LOG)

1. **Apologies for absence:** Apologies were received from Bob Alderson (NOC), Roy Denney (LEI), Derek Gale (DVO), Jen Gale (DVO) and Judith Holt (DVO).
2. **Minutes of the 48th AGM held on Monday 17th September 2012.** It was agreed that the minutes were a true record as proposed by Hilary Palmer (NOC) and seconded by Chris Phillips (LEI).
3. **Proposed Standing Order Change.** This item was dropped as it is no longer required (it was to be used if we did not have a full committee available for next year).
4. **Chairman's Report**

I really have little to say for the Chairman's report. It has been a difficult year with no real Chairman but at least we have had a keen, enthusiastic, Development Officer and an efficient Treasurer. Thank you very much Mr & Mrs Macdonald. A big thanks also goes to Mike Gardner for taking and publishing the minutes as well as editing EMEWS. Considering the situation we found ourselves in this time last year with no prospective committee the administration has gone well.

From the point of view of orienteering, and after all that is what it is all about, it actually has been quite a good year. The four major open clubs are all flourishing and have put on a full season's worth of events which have made the best use of available terrain. Event scheduling has gone well and Ian Whitehead again deserves our thanks for coordinating the events. Ian has now moved from Pakistan, but has not returned to the East Midlands, so we have lost his services as Fixtures Secretary after I don't know how many years. Many, many thanks Ian for all your work. We are lucky, however, that Paul Beresford (NOC) has volunteered to be the new Fixtures Secretary – thank you Paul, I gather you are a true volunteer.

Financially we are in good shape. There was a proposal last year to reduce our bank balance and we have throughout the year not tried to increase the balance but in fact to spend more than we have received but not to reduce the balance too radically or too quickly – no doubt Viv will highlight this in her report.

Our Development Plan has been refined, improved and implemented by Randal and looks to be standing the test of time. I see it as a dynamic document which changes as things progress.

I am delighted that sufficient volunteers are now forthcoming to give us practically a full committee for the coming year. Regrettably it is not filled by all four clubs in proportion, and so may not be truly representative, but it is a much better situation than we found ourselves in last year. Thank you again to those who have so ably “held the fort” for the last year and thank you to David Olivant for looking after Mapping, Hilary Palmer for Coaching, Ursula Williamson for so ably running the League, Paul Murgatroyd for running the Urban League and Richard Robinson (and all others involved with the Junior Squad) for Junior development and finally all club reps who have turned out on cold, miserable winters' evenings to attend committee meetings.

Finally a thank you to Mike Godfree who has agreed to keep track of East Midlands trophies. Mike was keen to volunteer for the task when I told him the alternative was to become EMOA Chairman.

Ladies and Gentlemen thank you.

The meeting formally accepted the Chairman's report.

5. **Treasurer's Report including membership numbers and presentation of accounts.**

Copies of the Report were circulated via EMEWS 247 and at the meeting.

The Treasurer reported that Event Levy income had risen considerably due to large attendance at a number of events. This did not include the British Sprint or Middle events as these are outside the levy model.

EMEWS

In terms of membership, the unit figures have held up, but the number of members has fallen, probably due to the new membership structure from British Orienteering. The Community O figures should all have been zero on the Income sheet.

There had been no sales of Junior Clothing as in previous years. It was believed this was because this normally took place when the Junior Squad went to the Inter-Regionals, and due to the dates this year there had not been a Junior Inter-Regional in the accounting year. It is possible there will be two in the next accounting year..

Discussion took place on whether the Community O figures should be brought in to the Accounts for consistency. It was pointed out that this would allow the figures to balance.

The Chair, Financial secretary and Robert Parkinson are 3 signatories on the bank accounts.

The Independent Financial Examiner had confirmed that the Income and Expenditure Report and the Balance Sheet were a true and fair statement of the finances of EMOA. Andy Lucas was thanked for undertaking this task.

6. **Approval of Balance Sheet and Income and Expenditure Statement**

Subject to the change being made to reflect the Community-O figures, the balance sheet was approved by the meeting. This was proposed by Mike Gardner and seconded by John Hurley.

7. **Election of Principal Officers**

John Woodall stated that a number of folk had worked to get a proposed committee in place for next year. He asked the meeting if anyone else had any nominations for the key posts. As no-one had any other nominees John proposed the following people should be elected to be the Principal Officers

Post	Name
Chairman	Ranald Macdonald
Vice Chairman	John Hurley
Financial Secretary	Mark Webster
Development Co-ordinator	Chris Phillips

Proposed: John Woodall

Seconded: Ernie Williams

The Principal Officers were elected unanimously.

Ranald stated that he only wanted to stand for one year and John had taken on the role of Vice-Chairman on the proviso that he would not be expected to move in to the Chairman role. Chris is going to be fairly busy in his role co-ordinating the JK for the start of the year, so Viv would assist with some of the administration in the role in the interim.

8. **Election of Other Officers**

The only other officers on the committee in the new constitution are the club reps. These are elected by the clubs.

The other delegates / roles were identified in the meeting as:

Mapping – Dave Olivant

Coaching – Hilary Palmer

Juniors – Richard Robinson

EM League – Ursula Williamson

Urban League – Paul Murgatroyd

Fixtures – Paul Beresford

President – John Woodall

Minutes Secretary – Mike Gardner

EMEWS – Mike Gardner

Webmaster – John Cooke

National Forest – Roy Denney

A formal vote of thanks was given to John Woodall for standing in as Chairman to keep things going.

Proposed: Hilary Palmer

Seconded: Ernie Williams

9. **Appointment of Independent Financial Examiner.**

Viv Macdonald agreed to ask Andy Lucas if he would perform the role again next year.

10. Budget projections

The Treasurer presented a project 3 year budget that was circulated with EMEWS and copies circulated in the meeting. This showed a progressive loss to use the surplus currently in budget.

11. **Fixing of Charges.**

It was proposed in the budget to leave all the membership fees and event levies as they were from the previous year.

Senior membership fee is £2

Junior membership fee is £1.

Associate membership fee is £10

Club membership fee is £15.

Event levies: 40p per adult and 10p per junior with the first £25 being exempt.

Proposed: John Woodall

Seconded: Mike Gardner

The proposed fees were accepted unanimously.

12. Plans for the coming year.

Ranald Macdonald stated that the key to EMOA was delivering development to the region and so the first meeting would concentrate on reviewing the development plan.

There were already a number of planned activities such as the Mapping Course, Dave Olivant gave an update on this. It is planned to take place at the end of September, beginning of October and is already over-subscribed. We may even want to run the course again shortly.

Ranald stated that there were plans to run the Development Day again, though probably will be early in New Year rather than December and will cover Controllers, Organisers, Planners, Event Safety and Coach Update sessions.

It is also hoped to run the Controllers / Planners conference again as those who attended the last session had enjoyed the session, especially the course planning session run by John Duckworth. We may do a similar session based on the JK.

Hilary Palmer stated she was looking at delivering a new form of coach training as often folk found the 3-day course difficult to attend. The idea would be to run a course for level 1 coaches to assist them to provide linked series of coaching sessions. It may then be possible to run another top up session(s) so that folk build up their skills to level 2 rather than having to do all in one go.

Ranald reported that on a similar basis he had run a Controllers course for NOC, rather than as one intensive session, but as a session at an event in Harlow woods, a set of pre-defined reading and an evening session to go through the requirements, procedures and practices. Breaking things down to smaller sessions can work.

13. Any Other Business

Paul Murgatroyd asked the clubs where they were going to use for the Urban League next year. Reps from the clubs identified their planned events for next year.

Chris Phillips reported that the organization for JK Day 3 for 2014 is going well. East Midlands is expected to run this and so he will be in touch with the clubs shortly about what will be required. There will be some incentives for folk to volunteer.

There being no further business the Chairman thanked all present for their attendance at the 2013 AGM and declared the meeting closed at 20.30.

The meeting was closed and Natalie Shaw from British Orienteering gave a talk on Explorer <http://www.xplorer.org.uk/about> and Run Challenge - <http://www.runchallenge.org.uk/>

East Midlands League 2014

The East Midlands League events for 2014 have been defined as the following events. So far the first 5 of these have taken place and are included in the League tables below. As usual it is the top 8 scores will count. The following events have taken place and the codes are used in the tables.

- | | | |
|----------------------------|----------------------------|--------------------------------|
| 1 - Willesley Woods (LEI), | 2 - Matlock Moor (DVO), | 3 - Thieves Wood (NOC), |
| 4 - Lindop (DVO), | 5 - Fineshade Woods (LEI), | 6 - Burwell and Haugham (LOG), |
| 7 - Shining Cliff (DVO), | 8 - Allestree (DVO), | 9 - Burrough Hill (LEI), |
| 10 - Carsington (DVO) | | |

The following events remain in the East Midlands League in 2014 (so there is still plenty of events for the autumn)

- 21st September - Longstone Moor (DVO)
 12th October - Byrons Walk (NOC)
 19th October - Bradgate Park (LEI)
 30th November - Beacon Hill (LEI)
 7th December - Stanton Moor (DVO) - new venue
 21st December - Walesby (NOC)
 28th December - Spring Cottage (LEI)

Note The event at Blidworth in November is no longer part of the East Midlands League

East Midlands Urban League 2014

Following on from the success of the East Midlands Urban League last year, we will continue, and hopefully expand, the League this year. The following are the events that have taken place so far in the East Midlands Urban League in 2014:

- **EMUL 1** Sunday 11 May: Matlock (DVO)
- **EMUL 2** Sunday 18 May: Newark (NOC)
- **EMUL 3** Sunday 21 June Nottingham University (NOC)

The following are the events that are still planned for the East Midlands Urban League in 2014 (note a number of the dates have been changed from their original dates):

- **EMUL 4** Sunday 31 August: Lincoln City (LOG)
- **EMUL 5** Saturday 25 October: Washingborough (LOG)
- **EMUL 6** 9 November (**Changed Date**): Loughborough University (LEI)
- **EMUL 7** 16 November (**Changed Date**): Oakwood (DVO)

The detailed urban league status is available on the EMOA website at

National Forest Report

We met today which was in part the launch of the next 10 year strategy. As you can imagine it is a period of change and things will be done differently in future.

The crux is of course funding - They are working to an assumption that over this period their £3M grant in aid will reduce progressively to £2M. By becoming more commercial and securing sponsorship and small focused grants they hope to bridge the Gap and still have the same total to work with.

They are also going to change their focus - they will still be encouraging new planting but no longer chasing volume and numbers. They may fund as much as 150ha per year but will be selective as to quality and location. They wish to see smaller disparate blocks joined together and links creating footpaths to give access between blocks. As a rough guide they wish to increase cover and connectivity along a corridor about 5 miles wide following the route of the new National Forest Long Distance trail. This will not be to the exclusion of good projects outside that belt but these will get priority. The trail, the National Forest Way was opened officially on May 17th and is 75 miles long from Alrewas to Beacon Hill.

The tree cover in the NF has gone from 6% to 20% and they hope for 24% over the next 10 years.

They are still getting substantial funding largely by the results of a review and consultation carried out recently which showed strong local support and evidence that the visitors are now bringing £300M into the local economy.

They are trying to bring more sports into the forest and are interested in a triathlon if any member is involved in such pursuits and wishes to be put in touch.

From the point of view of Orienteering they still want to promote the use and enjoyment of the Forest so grants may be available for POCs etc but the days of major new blocks of woodland being created suitable for our purposes seems behind us. There are two in Leicestershire which are well advanced but will take some years to mature into good areas but one is being mapped and will be tried this year in a closed event.

The big plus is that there are a number of interesting small areas we don't use and if these can be linked together they may become suitable venues. The problem with a lot of these is however the lack of car parking of any size.

The NFC is going to have to be more flexible in its approaches and seek funding from numerous sources, many of which will not support organisations funding by government or local authorities. To this end they are to seek Charitable status to give them some independence but that will not happen until they can agree some form of grant system so that government can still give support albeit that it would have to be targeted and ring-fenced rather than a block grant. There are no plans at present to merge this new charity with the existing National Forest Trust which own some land in the Forest but that is a long term aspiration.

Roy Denney, National Forest Representative - 25/6/14

Fixtures

This fixture list is intended to list all major events in the UK, and all East Midlands events. It includes all the information available to me about the event at the time of going to press. Details on entry are normally available on the club sites. Unless otherwise stated, Local events offer entry on the day (EOD) to a range of colour coded courses with start times from 10:30 to 12:30. Some will provide a wider range of courses than others. Regional events provide colour coded within which age classes can be run. National events provide a range of age related courses and are normally entered in advance.

The OS map reference is either the car park or point from which the event will be signposted. The list is based on BOF registration, but events are sometimes cancelled. If you are uncertain of whether an event will be on, check with the organiser. The editor takes no responsibility for wasted journeys.
