

Dear NOC member,

I am pleased to announce that the Nottingham Orienteering Club 2015 Club Championships will be held on Sunday 13th December at Longstone Moor, just NW of Baslow in the peaks. The area is reasonably new to orienteering and provides good challenging terrain with former quarries, some steep woodland and heather moorland. You can see the map on the DVO routegadget 21st September 2014 (<http://www.derwentvalleyorienteers.org.uk/results/rg2/#75>). Details from the event should emerge at the following link: <http://derwentvalleyorienteers.org.uk/events/dvo-fixtures/>

Entry

Entry is on the day only and to be eligible for a prize for your age group you need to enter the following course (as well as being a member of NOC of course!):

Colour coded course	Men ages classes	Women age classes
Brown	20, 21, 35, 40	
Blue	18, 45, 50, 55	20, 21, 35, 40

Short Green	70, 75, 80	60, 65, 70, 75, 80
Light Green	14	14

Prizes

Prizes will be provided to the winner in each category and befitting of the festive period will likely be of an edible form. Prizes will be available for collection at the NOC Bramcote Hills event on Sunday 20 December.

If there is no NOC finisher of a given age group on the designated course then the prize will be awarded to the highest placed NOC finisher of that age group on the next course down in the table above, and so on, until a winner is found! There should be no shadowing of juniors or adults to be eligible for prizes.

Any questions, please let me know. Hope to see you all on the 13th December.

I'll be in touch nearer the time with a polite reminder.

Many thanks
Andy
