### Report on East Midlands Meeting – 19<sup>th</sup> June 2017

**Mapping Workshops** - David Olivant is still planning to run an Urban Mapping Workshop in September and a Forest Mapping Workshop some time later in the year.

**Planners and Organisers for Level B Events** - There is planned to be an update to BO Rules & Guidelines Appendix C under which Associations will become responsible for approving Planners and Organisers for level B events. This change has still to take place.

**EMOA Trophies** - EMOA are looking at whether any of the existing trophies need replacing / renovating. £60 was allocated to the EMOA Sprint Champs for prizes.

**EMOA Accounts** - The Treasurer reported that at present, although having budgeted for a deficit of £500, it looks like we may end in profit of £1,500. This is due to the Junior Squad not needing their full allocation, fewer requests for grants, no use of coaching budget this year.

**Orienteering Foundation** - Club secretaries and newsletter editors have been asked to share the article on Orienteering Foundation (after this section). It is up to members whether they want to claim expenses, donate their expenses to the Orienteering Foundation, or not claim their expenses so clubs keep the money.

**Coaching** - Hilary Palmer is still looking to run a formal Coaching Course in EMOA soon. She has had one potential name from EMOA and another from outside the region. If others are interested please let Hilary know.

**JIRCS 2018** - DVO have now been given permission for Chatsworth so it is now probable that the individual will be on Chatsworth and the Relay on Carsington. DVO have folk in most of the key roles for the weekend. However, in terms of financing they would like EMOA to take full responsibility for financing of the event.

There was some discussion on the budget in terms of numbers attending JIRCS and what would happen if one or more regions did not attend, or even did attend but would not take on the accommodation. Was it possible to only allow teams to participate if they were willing to use the accommodation? Pauline Olivant agreed to discuss this issue with JROS Chair Nev Myers.

#### Future Events:

- (i) **18 March 2018** - Midland Champs 2018 - LEI Belvoir - All going OK.
- (ii) **16 Dec 2018** - East Midland Champs - NOC - Dukeries
- (iii) **17 March 2019** - **CompassSport Cup Heat** - NOC - Sherwood Pines
- (iv) **11 Feb 2020** - Midland Champs 2020 - DVO - Shining Cliff

#### Future Possible Events

- (i) **2018 - EM Score Champs** - DVO hosting alongside JIRCS 2018.
- (ii) **Junior Inter-Regional Champs 2018** - DVO hosting
- (iii) **2018 - Yvette Baker Trophy** - LEI - Spring Cottage
- (iv) **British Sprints / Middles 2019** - LEI / DVO - Assuming at this stage we will need to run this.

- (v) **East Midlands Champs 2019** - A club needs to volunteer to host this.
- (vi) **Junior Home International 2020** - It is EMOA's turn to host. Do we have any clubs willing to host this?
- (vii) **Midland Champs 2020** - DVO
- (viii) **CompassSport Cup Final 2021** - Are EMOA interested in hosting?
- (ix) **British / British Relays 2021** - Talking to ERYRI in Wales about potential use of their areas.
- (x) **Midland Champs 2022** - NOC

**British Champs** - There is still discussion ongoing about incorporating the British Champs events in to the JK, and Mike Hamilton has explained a proposal in the latest Focus magazine. Comments have been requested from members and it is thought that this will be discussed by the Board in September. If anyone wants to provide feedback then John Hurley is willing to collate and submit (the best comments would be from those who have been involved as major event officials).

**EM League for Juniors** - There was a question from a LEI member as to whether there should be a separate section of the EM League for Juniors, with fewer events scoring. It was felt that the league represented Juniors fairly at present and it should be left as it is.

**English Orienteering Council** - Anne-Marie Duckworth represented EMOA at the EOC AGM. One key point is that the next EOC AGM will not allow proxy voting. John Hurley has therefore requested that they send out their papers well in advance so they can be discussed and our rep appointed and briefed.

**NOC Explore the Parks** - NOC have been using Facebook advertising for their recent "Explore the Parks" series of events. It does seem to have worked well. There was no paper advertising, but they still got around 80-100 attendees at each event. The events were on a Saturday afternoon. Their approach had been to print around 70 maps per event, all of which had 16 controls on them. Controls 1-5 were simple sites that could be visited by pushchairs, etc. A second alternative would be to treat the controls as a score event of 45 minutes. A third alternative would be to have to go round the controls in order. This seemed to work well.

**EMOA Sprint Champs** - Bob Haskins stated he very much enjoyed the EM Sprint Champs. The only comments he had from a number of people were that for a 2 race event it would be better to have them run closer together. The long time period may be why not too many attended.

**EMOA Officials** - All 4 of the occupants of the elected posts in EMOA will have reached their 3 year (or in some cases more than 3 year) period. We do need volunteers for these posts for the AGM. Please can all members consider volunteering to be part of the committee.

**Dates and venues for future meetings** - All meetings to be held at the Pace Room, St Mary's Church, Clifton Village, Nottinghamshire at 7.30 p.m. The next meeting will be the EMOA AGM which is scheduled for Monday September 18<sup>th</sup> 2017. Please can members try to attend to ensure we are quorate. There will be more details sent out before the AGM. If anyone has any

items for inclusion please let the Secretary know as soon as possible. One agenda item will be the inclusion of O-safe wording in to the EMOA Constitution.

### **Claiming expenses and the Orienteering Foundation**

Many orienteering volunteers - particularly planners, organisers and controllers - incur expenses (such as car mileage) as they do their work.

Most Clubs and Associations have standard policies for claiming and reimbursing these expenses. However, volunteers often don't make a claim, preferring to "donate" their costs to the Club or Association and allowing the money to stay within orienteering.

This generous approach misses an opportunity.

The money can stay within orienteering and often be increased by 25% or sometimes more. How? By claiming and then donating the expenses to the Orienteering Foundation. The Orienteering Foundation is a registered charity, independent of British Orienteering, and exists to promote innovation and to support people and projects in orienteering. Where the donor is a taxpayer, Gift Aid can be claimed by the charity from HMRC.

So, next time you have some expenses, don't just ignore them, make a claim and then donate an amount to the Orienteering Foundation. The money still stays within orienteering but is actually more than before!

If just 100 volunteers who currently don't claim an average of £20 were to do so and make donations, it would total £2,000, which, with Gift Aid added, would be worth £2,500 to the Orienteering Foundation. A substantial sum like that could make a huge difference to for example junior development initiatives.

Kevin Harding, HH and British Middle Championships 2016 Planner commented, "I never used to claim orienteering expenses. The cost to me is always the time not the money. Having said that I do believe that events should be budgeted to break even and not expect officials not to claim. I also feel the money should be used to benefit the sport and not just sit in a bank account. That is why when Andrew Evans, DFOK, mentioned the Orienteering Foundation I had no hesitation donating my British Middle expenses."

Resolve to do it when you next have the chance! It's easy using the Orienteering Foundation website at <https://www.orienteeringfoundation.org.uk/donate> where you can also find out more details about the Orienteering Foundation.

**World Schools Orienteering Championships. Sicily 22<sup>nd</sup> - 28<sup>th</sup> April 2017**

By Charlie Rennie (LEI)

Photos from the ISF WSC Orienteering facebook page. (International School Sports World Schools Championships)

I've been asked to write a report on my visit to Sicily for the World Schools Orienteering Championships. I could write a book about this amazing experience but I don't want to bore you so I'll just write the best bits!

Everyone was in a relaxed and chatty mood on Friday night at the Premier Inn at Heathrow airport. It felt more like a holiday with friends than an international competition. It wasn't so much fun waking up at half past four in the morning to catch our flight to Rome, but now it felt very serious, all 50 of us dressed in team kit, with officials all around us. It still left time for a competition to see who could find the most expensive bottle of wine in the airport shop. I managed £260 but the winner found one for a grand and I still can't think of anyone who would buy that! How would they get it on the plane? Wine aside we made a quick changeover from Rome to Palermo and after a police escort soon arrived at our seaside hotel. With a beautiful view, a heated pool, slides and a beach the hotel had everything, but it was early to bed with the model event in the morning.

It was another early start for a two-hour bus journey to the event centre, which meant time for a good sleep and to look at the beautiful mountains of Sicily. Sunday was the model event which was a chance to experience the area and get a run in, so my team and our coach set out to try out Sicilian orienteering. It was one of the hardest areas I've ever been in! The vegetation was thick and full of spikes (a bit like Bagworth!) so running was slow

and you couldn't see much either. If you got lost, you properly got lost! The views were spectacular, however, and I really enjoyed the challenge. After a few hours of running we returned for lunch, got back on the bus and headed back to Palermo for the opening ceremony.

The opening ceremony was incredible. There were amazing acts, with dancers and acrobatics and big crowds. All the athletes walked around the old town in our teams, following our national flags. It made me feel very proud to be representing my country. Even Chris Bosley was in the crowd, cheering us along. We got back to the hotel late after the opening ceremony, hungry and tired but feeling good and prepared for the long distance race tomorrow.

## EMEWS

---

In the long distance race, I messed up two controls but still finished 17<sup>th</sup> in the world which I was pretty proud of. My dad texted me to tell me he'd watched it on the big screen at work. Apparently there was a live feed on Facebook! I knew what I needed to do to improve for the middle distance race.

Tuesday was the friendship relay where a team of three from different countries had to

collect all the controls around the old town of Palermo in as fast a time as possible. The town was beautiful! Full of renaissance statues and churches. I've done some pretty cool urban races in the UK but this was the best.

The next day we had a full free morning which meant time for swimming and having fun with our new friends from the other nations. First we went to the toboggan, a massive waterslide that lead into the sea and I must have gone on it about 20 times. We relaxed in the heated pool for a bit before returning to our rooms spotting a lemon tree on the way back. The next thing we knew, us and the Latvian team were having a lemon fight across the rooftops which escalated to a water fight, until we made a peace treaty that was instantly broken and we had another fight. It left us sticky and soggy but we had a great laugh!

Wednesday night was the cultural evening which was time for each country to showcase their country with food and dance. We all liked the Belgian table a lot and the Scots had Irn Bru!

Thursday, our final day in Sicily, we made the same stunning bus journey to the event centre for the middle distance race. I had a decent run finished 14<sup>th</sup> cementing my team a second place in the world

and an amazing silver medal.

After a party on the last night we flew back home buzzing from our amazing time in Sicily and I really hope I can go to Estonia for the World Schools Orienteering Championships in 2019. I also want to say thank you to Leicester Grammar School, Leicester Grammar School Friends, Leicestershire Orienteering Club and the East Midlands Orienteering Association for funding me so I could go on this wonderful trip. It was an experience I will never forget.

### National Forest Report

Roy has been working with a number of National Forest officers to decide designs for 7 large information boards to go at selected hubs in the heart of the Forest along with about 20 information posts. Roy believes these new boards should incorporate orienteering information on them so that they can double as POC controls.

The Forest is very much working on joining up pockets of woodland and encouraging access and recreation rather than planting loads more trees which suits us as orienteers.

To further their ambitions they are seeking a new Access & Recreation Development Officer part time on about £15k - see [www.nationalforest.org/about\\_us/employ/](http://www.nationalforest.org/about_us/employ/)

## Fixtures

This fixture list is intended to list all major events in the UK, and all East Midlands events. It includes all the information available to me about the event at the time of going to press. Details on entry are normally available on the club sites. Unless otherwise stated, Local events offer entry on the day (EOD) to a range of colour coded courses with start times from 10:30 to 12:30. Some will provide a wider range of courses than others. Regional events provide colour coded within which age classes can be run. National events provide a range of age related courses and are normally entered in advance.

The OS map reference is either the car park or point from which the event will be signposted. The list is based on BOF registration, but events are sometimes cancelled. If you are uncertain of whether an event will be on, check with the organiser. The editor takes no responsibility for wasted journeys.
