### Report on East Midlands Meeting - 11<sup>th</sup> June 2018

**EMOA Website** - The EMOA website has been updated to include the winners of the last (2017, though event was in 2018!) East Midlands Championships and the 50<sup>th</sup> anniversary logo. The website is available at <http://www.emoa.org.uk/>.

**Trophies** - After reviewing the pictures Mike Godfree provided of the EMOA Trophies it was proposed that a better trophy was bought for the W21 class.

**EMOA 50<sup>th</sup> Logo and Celebration** - It was agreed at the EMOA meeting that the region would purchase a memento, with the 50<sup>th</sup> anniversary logo on, which would be handed out to all attendees at the East Midlands Champs. (Just a note if anyone reads the AGM Agenda later in the newsletter and sees it is the 54<sup>th</sup> EMOA AGM - The first 4 years EMOA was the North Midlands Orienteering Association, so it is the 50<sup>th</sup> anniversary of East Midlands Orienteering Association).

**Finances** - At the last EMOA AGM it was agreed by the meeting that EMOA should waive the levy paid by clubs for all events, so that it could be used for development work in the clubs. The accounts would be down by around £1,000 this year due to this levy not being collected. One problem is that in order to assist with the JIRCS 2018 budget, EMOA is quite close to having very little in the current account. It was felt the committee needed a policy for how much to keep in their bank. The following statement was unanimously agreed by the EMOA committee: *"EMOA should maintain a cash reserve of £10,000 in the current and savings accounts (excluding the Junior Squad Deposit Account), to allow for the support of major events."*

The Treasurer was then asked to create a budget to break even next year.

**Regional Training Day** - Chris Phillips has arranged for the Regional Training Day to be 24<sup>th</sup> November. He has already got three courses for Controllers, Planners and Organisers set up and potentially others will be added.

**Development Officer** - EMOA is still short of someone to perform the Development Officer role. Could members please consider volunteering for this role as it is important to have someone leading the development work in the region. If anyone is interested please talk to Chris Phillips.

**Junior Squad** - The squad report is available elsewhere in the newsletter. The committee congratulated the Junior Squad members on their recent good results.

**Data Protection** - EMOA do not keep personal details of members (as these are kept by the British Orienteering Federation) and clubs keeps results, and EMEWS is distributed through the clubs. EMOA will ensure that if they do keep any personal it will be collected, maintained and deleted in line with the GDPR requirements.

**Future Events:**

- (i) 29/30 Sep 2018 - JIRCS 2018 - DVO - Chatsworth / Carsington
- (ii) 30 Sep 2018 - East Midlands Score Champs - DVO - Carsington
- (iii) 16 Dec 2018 - East Midlands Champs - NOC - Dukeries
- (iv) 17 March 2019 - CompassSport Cup Heat - NOC - Sherwood Pines
- (v) 14/15 Sep 2019 - British Sprints / Middle 2019 - LEI / DVO - Loughborough / Chinley Churn
- (vi) 8 Dec 2019 - East Midlands Champs - LOG - Grimsthorpe
- (vii) 2019 O East Midlands Sprint Champs - LOG - Witham St Hughes
- (viii) 11 Feb 2020 - Midland Champs 2020 - DVO - Shining Cliff

**Future Possible Events**

- (i) Yvette Baker Trophy Final 2020 - LEI
- (ii) British Schools Score 2020 - DVO
- (iii) CompassSport Cup Final 2021 - DVO

**Future Major Events** - EMOA have been concerned about the expectation being placed on the region in relations to the British Long Distance Championships in 2021 and the JK in 2024. EMOA have provided feedback stating we "have very few areas that are suitable for large Level A events, probably only three or four in the region. None of these are available in the mid-March to end of May time slot that would be required for the British Long Championships or JK.

*Secondly, given that we have been asked to host two very large events in a fairly short timescale we are of the view that we do not have sufficient experienced members to provide the two sets of officials that would be required.*

*Thirdly, in terms of membership numbers, we are a very small region. We believe that we would struggle to find enough volunteers to run the events.*

*Our conclusion therefore, is that we do not have sufficient resources as a region to host either the British Long Championships or the JK."*

**Dates and venues for future meetings** - All meetings to be held at the Pace Room, St Mary's Church, Clifton Village, Nottinghamshire at 7.30 p.m. The next meeting will be the EMOA AGM (see agenda elsewhere), then the following committee meeting will be on Monday 19<sup>th</sup> November 2018. All members are welcome to attend committee meetings if they wish. Please do attend the AGM.

### EMJOS Summary - June to September 2018

**21<sup>st</sup> & 22<sup>nd</sup> April** York University Sprints (Talent squad event) and Wass Forest (Northern Championships), Talent Squad and summer camp selection race. An intense weekend of competition and training for the EMJOS juniors, who travelled together to take part in the Talent Squad Sprints at the University of York and the summer camp selection race at the Northern Championships.

The Sprints used the exceptionally technical University East Campus, previously used for the JK and British Sprints, giving an opportunity to directly compare all runners on just two courses.

The GB Sprint Team set off first to check out the courses and came back praising the planner for the variety of route choices and longer leg lengths which is a characteristic of the European sprint format.

So on the same courses, our notable finishers were:

W16: 2nd Rachel 17:24 (winner and top women's time Megan Keith 15:08) and 19th Libby.

W18/20: 17th Sarah, 21st Anna, 24th Jess and 25th Imogen.

M16: 10th Ben S and 13th Ben M

M18/20: 24th Ethan.

For Saturday afternoon Ant prepared 3 short (1.1km) exercises through the woods near the White Horse landmark (east of Thirsk). These woods are an extension of the same escarpment being used for the Wass event - so similar terrain.

Each exercise started and finished on a path but dropped down through the woods and boulders picking out 5/6 control sites. Everyone agreed that this was ideal practice in the local terrain: an opportunity to appreciate how the mapper had interpreted the ground features.

We did not do the third exercise but instead we had ice creams and lollies to help us back up the 100+ steps.

Overnight we were joined by 5 juniors from the SE Junior Squad (SEJS). The continuing nice weather meant there was plenty of daylight after tea for the juniors to find the local park.

The Northern Championships at Wass Forrest (east of Thirsk, at the top of Sutton Bank - poor minibus!) The early runs were an advantage because some heavy rain showers late morning turned the steep valley slopes that were already difficult to negotiate, into almost impossible muddy slides.

Significant runs from the EMJOS squad were:

12th Libby W14	2nd Ben S M14 (Championship time)
12th Rachel W16	18th Ben M, M16
10th Sarah W18E	10th Finn M20E
17th Anna W18E	

18th Imogen W18E

19th Jess W18E

**28<sup>th</sup> April** Cademan (LEI) combined training with Octavian Droobers and West Midlands Junior Squad.

Ten EMJOS juniors joined up with the West Midlands Juniors at an Octavian Droobers training day at Cademan Wood (LEI area) on a wet Saturday 28th April 2018.

The lead coach Andy Emmerson (OD) made very good use of the contour details to set 3 exercises focusing on the hills and re-entrants. With footpaths remove from the map, it was a challenge to not be distracted by the many paths.

The follow on exercises were re-location, simplification of legs and attack points. Many found that it was useful to ignore the footpaths on the ground or map and use the contours and water features to navigate by.

The mass relay at the end finished off the training day - with all 3 groups coming together for a very gaffled (multiple routes) so no one could follow anyone else down the wrong path!

**13<sup>th</sup> May** Hartshill Hays (After OD Bentley Wood event)

Nine EMJOS juniors returned to this favourite training area in the West Midlands, combining the day with a morning run in the spectacular blue bells of Bentley Woods (OD).

The focus of the training led by Ant, was to practice combining individual techniques to support long legs and racing pressure. Corridor exercises looked to combine techniques - compass bearing, pacing and fine map reading to remain on the map. Longer loop exercises focused on breaking down the legs into sections and using the appropriate technique. The finishing off relay and the morning event provided race practice.

At the debriefing session Ant went over the training build-up to peak at the selected key race(s) for the session. The analogy of a cake - "It's a piece of cake!", made up of tiers of preparation, training and pre-races was described in detail.

### **Future Training**

17<sup>th</sup> June combined with DVO Stanton Moor Regional Event. Training to be led by John Mather (LOG). To be joined by West Midlands Junior Squad.

As part of the day it is planned to have an officials meeting for JIRCS2018.

14<sup>th</sup> October Social Event - Pizza after Grangewood event (near Shepshed)

Ant and Ann-Marie to look ahead to the autumn session to extend the O'Planner to the end of the year.

### **Junior Achievements**

British Long Championships 2018 - Balmoral Scotland

Jake O'Donnel M12A (3<sup>rd</sup>)

Ben Squire M14A (14<sup>th</sup>)

### **National Forest Report**

The National Forest is working on a new 25 year plan with a large focus on recreation and access.

They are looking to fund an as yet unidentified large new plot on the Derbyshire / Leics border

Roslinton is now being operated directly by S Derbys Council

The £1M Black to Green 3 year project is coming to a close and they will celebrate it and launch the end result they are to have a big event on August 25<sup>th</sup>. Part of the project has been the erection of 7 large information displays in metal and I have arranged that each will have an Orienteering symbol akin to a POC post which could be used in conjunction with other controls. They will want to stage some sort of O event as part of the day's celebrations.

### **JIRCS Volunteers Required**

As you may know, East Midlands Orienteering Association are hosting this year's **Junior Inter Regional Competition** on **29th and 30th of September 2018** and many of our young athletes will be taking part.

Plans are well in hand for the individual run on Saturday at the Chatsworth Estate and the relay competition on Sunday morning at Carsington Pastures (before the East Midlands Score Champs event in the afternoon).

We need to ask for volunteers to help with jobs such as assisting at the start and finish and marshalling for gates etc. We will need help for both Saturday and Sunday.

Saturday between 10am and 4pm (Starts are after 12:30)

Sunday we have to cover from 7am to around 1pm (starts at 9am).

If you are able to help then please let us know which day and time you are available, along with your contact details and we will get back to you once we have collated the list.

This promises to be a great event in our area so please try to find time to be part of the team and help make this event a great success.

Many thanks

**Sarah Pennell**

Co-ordinator JIRCS 2018 (and a DVO Member)

## Fixtures

This fixture list is intended to list all major events in the UK, and all East Midlands events. It includes all the information available to me about the event at the time of going to press. Details on entry are normally available on the club sites. Unless otherwise stated, Local events offer entry on the day (EOD) to a range of colour coded courses with start times from 10:30 to 12:30. Some will provide a wider range of courses than others. Regional events provide colour coded within which age classes can be run. National events provide a range of age related courses and are normally entered in advance.

The OS map reference is either the car park or point from which the event will be signposted. The list is based on BOF registration, but events are sometimes cancelled. If you are uncertain of whether an event will be on, check with the organiser. The editor takes no responsibility for wasted journeys.
