

Wednesday evening Street O activities

These are a new venture for NOC this year and are designed to be informal, fun and sociable sessions based at a café or pub.

There will be a 45 minute 'score' using a simple urban street / path map and finding lamp post or post box numbers or such like.

Times: Register from 6.15 and start between 6.30 – 6.45 and finish 45 minutes later.

10 points per control visited and penalties for a late return. Stay and socialize with others over a drink and some food - pay for your own refreshments apart from the Bassetlaw party*

Fees: £1 per map. You can take part individually or with friend(s) / family. Family groups are very welcome but for safety under 16s must be accompanied by an adult
