Cover - Thanks as usual to Ernie. Both Ernie and I are in need of an extending pole with SIAC attached for the steeper and deeper pits/depressions that are easier to slide into than to climb out of - Ernie got the suggestion after the Linacre event last year when he stood at the lip of a small but deep depression and couldn't get close to the SI box until a friendly lady competitor took his SIAC off me, descended and waved it over the SI box seconds after doing the same for her own, and then handed it back with a smile and a very heartfelt 'Thank You' from Ernie!

Rules Changes – There was a new release of the BO rules on 1st January which incorporated a number of changes. All officials need to be aware of these changes.

Dates and venues for future meetings – All meetings to be held at the Pace Room, St Mary's Church, Clifton Village, Nottinghamshire at 7.30 p.m. The next committee meeting will be on Monday 8th April 2019. The following meeting is scheduled for June 17th. The EMOA AGM has also been scheduled for September 23rd. All members are welcome to attend committee meetings if they wish to do so.

Steve Buckley – The EMOA committee was sorry to hear about the recent loss of Steve Buckley. Steve was Vice-Chairman of EMOA from 1973 -77 and then Chairman from 1977 - 1980. When I joined DVO back in 1979 Steve and Judy Buckley often gave me lifts to events as I had not yet learned to drive. DVO for many years ran every 2 weeks from their houses, first in Belper and then in Allestree. Their house in Allestree was also the venue for the DVO dinner for many years. I am still not sure how we all managed to squeeze in.

Steve planned, organised and controlled many events over the years and was always able to provide advice when needed. Our thoughts are with Margaret and children Ali and Kim.

Major Events

Do you know how many major events are organised through British Orienteering each year? Ursula as EMOA Fixtures Secretary has to liaise with the clubs on putting on all of the local events, but also with the ESG. The problem is that many of these major events mean that no other events can take place locally, and also that officials are often involved in planning those events for some time in advance.

Ursula sends out a regular spreadsheet to the committee of all the events, many of which are annual events. There are 24 of them in all. The problem is getting people to put them on going forward. What could be realistic solutions? Could we have some events bi-annually?

Can we keep expecting to have the JK in the same regions every year? Can we have lite versions of any of these events?

Should we always expect things like the British to be in the Spring?

Should we expect to continue to put on all of these events at a National level?

What are your views? Send them to Mike Gardner and I will forward them to the EMOA committee.

The table below shows the list of events with their level, and since 2010 whether EMOA have been involved in organising them.

East Midlands Champs 2018

On top of the events above we also host the East Midlands Championships every year. The most recent East Midlands Championships for 2018 took place at the Dukeries on 16th December hosted by NOC. The day before the weather was awful, as I can attest. Putting out the controls in Clumber on the Saturday afternoon was very, very wet with a bitterly cold wind. However, by the time of the event on Sunday the weather was much milder and dry.

The following are the East Midlands Champions for 2018:

As part of the EMOA 50th anniversary celebrations each person was given a shoe bag at download with the EMOA 50th anniversary logo on it. I hope everyone gets good use out of their shoe bag in the coming year.

The 2019 East Midlands Champs are being organised by LOG at Grimsthorpe in December.

8 Orienteering Skills Videos

South London Orienteers have produced a series of eight videos showing different techniques used in orienteering. The videos are presented by different athletes from the GB Orienteering team and filmed in different locations. The aim of the series is to help juniors deal with more technically demanding courses, but these films can also be used to show beginners how to get started in our sport. Each video focuses on a specific orienteering skill.

[Graham Gristwood Introductory Film Start Orienteering](#)

Titles released so far: [Setting the Map](#); [Using a Compass](#); [Attack Points](#); [Aiming Off](#)

Titles to come: Large Contours; Route Choice; Intricate Contours; Simplification

One video per week will be launched on South London Orienteers' YouTube channel each Friday at 5pm during January and February. The 5 minute videos are designed to be downloaded to phones or tablets for easy reference and repetition. The video release is linked to races and coaching sessions taking place across the South East: watch a film, focus on a technique and have a successful run.

By the end of February, the whole series will be available on South London Orienteers' YouTube channel. I hope clubs and associations will be able to use the videos at their own coaching events and other development initiatives.

I also hope that these videos will demonstrate what an asset the GB team are to orienteering. It's been great for me working with the athletes on these films; seeing them in action, learning how they meet technical challenges and getting lots of top tips.

In addition to the 8 films in the Skills Series, South London Orienteers funded a ninth video which is really a guide for beginners covering most of the basics of orienteering: what does the map look like, what courses might be on offer, what are controls, what kit do you need, and how

EMEWS

do you get started. This film, presented by Graham Gristwood, stands alone but also should work well with the series of 8 for beginners in any age range. I expect this film will be launched in the first half of January.

I hope that these videos get as much publicity and use as possible for both the development of orienteering and the profile of the GB team. If you can help with this, please do.

Happy New Year and best wishes for 2019

Orienteering Foundation Report (Pauline Olivant)

Latest news.

- Recent grants have been made to JROS to help towards the costs of developing junior coaches on the summer training camp at Lagganlia. Also to Scottish School Association to help the team prepare for the WSOC in Estonia and to Masterplan adventure to help with a development project in the Fife area, both of these will be from the ring fenced fund for Scotland.
- The Foundation is considering another coaching day in the lakes for Autumn 2019. If any region is interested in running an Adult Coaching day the Foundation would be interesting in hearing from them.
- The Foundation received a very generous donation from MDOC members who decided to donate their volunteer entry fee refunds at the Lakes 5 days.
- The Orienteering Foundation is registered with several online shopping schemes, by choosing one when you purchase online, they will donate to the Foundation without any extra cost to you.

If you would like to read any more about this news or would like to find out more about the Foundations work please see their web site, www.orienteeringfoundation.org.uk or contact me if you would like to discuss anything further.

EMJOS Summary November 2018 to January 2019

The squad have undertaken training every 3 weeks, so there have been around 5 coaching sessions with the squad since the last committee meeting. These have often been paired with events often local C3s and C4s. The squad did look at trying Saturdays as an alternative but many of the squad did not want this.

Since the end of November the squad have held training in association with the following events:

- Bradgate Park with 8 attendees
- Junior Squads had their annual weekend in Hawkshead
- Epping (which was an Interland selection event) - 9 + 1 East Anglian Junior attendees
- Sherwood Forest (using Ollerton Pits) - 5 attendees
- Belton - 5 attendees

Going forward further training is planned at:

- Feb 9/10 - Buxton along with Birchen Edge (in association with West Midlands Junior Squad)
- 3 Mar - Sprints
- And also plan to train in association with Red Rose Weekend in Lakes
- In April YHOA have a weekend at Malham (other regions will be going)

The Junior Squad would also like to organise an event so as to promote the squad and also develop the responsibility for the juniors. The aim would be for them to take on many of the major roles (as has been done before). It was thought all the 2019 events have been allocated but NOC would be happy for them to take charge of one of their events in 2020 (The squad would like to be able to fund a trip to Scandinavia in 2020 so this would be part of the fund raising). NOC to look with Junior Squad to decide which would be best event for them to organise in 2020.

Fixtures

This fixture list is intended to list all major events in the UK, and all East Midlands events. It includes all the information available to me about the event at the time of going to press. Details on entry are normally available on the club sites. Unless otherwise stated, Local events offer entry on the day (EOD) to a range of colour coded courses with start times from 10:30 to 12:30. Some will provide a wider range of courses than others. Regional events provide colour coded within which age classes can be run. National events provide a range of age related courses and are normally entered in advance.

The OS map reference is either the car park or point from which the event will be signposted. The list is based on BOF registration, but events are sometimes cancelled. If you are uncertain of whether an event will be on, check with the organiser. The editor takes no responsibility for wasted journeys.
