ON YOUR DOORSTEP

PERMANENT ORIENTEERING COURSES ARE GREAT FOR...

- ▲ Enjoying the fresh air and getting outdoors and active.
- ▲ Learning new life skills like navigation, map reading, and decision making.
- ▲ Available at a time or day that suits you best.

What is a Permanent Orienteering Course?

These are courses located at local parks, woodland or urban areas which have the familiar orange and white control markers installed which, using a map, you need to find. Courses offer a huge range of variety from distance to terrain, and can be on your doorstep or further afield. All to enjoy in your own time. To find your nearest course and download your map visit: www.britishorienteering.org.uk/pocs
