MapActive entries are now open:

Stage 1 of the MapActive map reading and coaching programme will commence on Saturday 15 October at Bridgford Park and culminate with the event at Shirebook Wood on 20th November. Stage 2 will commence immediately afterwards focussing on more advanced skills. The whole course concludes at our December 18 event at Walesby Forest Activity Centre.

If you know of anyone who would like to master core map-reading and orienteering skills then prompt them to sign-up to Stage 1 of the course. Stage 2 is more suited to those who have previous orienteering experience but would like to refresh their relocation strategies, pacing and fine compass skills, and contour based navigation.

For more details, download the [MapActive Course Brochure](#). You can now sign-up at [The StartKite](#). Places will be assigned on a first come, first served basis and are limited to just 16 places.
